Return-to-Work Progress Update

Blue Ridge Demo Occupational Therapy

Patient: Jordan Test | Fully fictional identity

Date of service: 2024-12-03

Record type: Work capacity | Prepared by: Occupational therapist

REASON FOR CONTACT

Progress during trial of modified duties.

OBSERVATIONS / FINDINGS

Illustrative report describes four-hour shifts with scheduled movement breaks.

ASSESSMENT / INTERPRETATION

Partial reintegration appears tolerable in this fictional functional narrative.

PLAN / NEXT STEP

Review accommodations and gradually adjust workload if clinically appropriate.

Fabricated names, facilities, symptoms and events for testing only.
Not clinical advice, evidence, a claim record or a real medical chart.
